EDUCATION

University of California, Santa Barbara

Bachelor of Science in Statistics and Data Science

Santa Barbara, CA

Sept. 2024 – Jun 2027

- Relevant Courses: Principles of Data Science with R, Probability and Statistics, Vector Calculus, Differential Equations
- Relevant Skills: R, SQL, Statistics, Mathematics

College of the Canyons

General Education

Santa Clarita, CA

Aug. 2021 – Jun 2024

EXPERIENCE

Warehouse Specialist

Dorsal

Feb. 2024 – Oct. 2024

Santa Clarita, CA

- Increased production efficiency by examining material preparation, contributing to a smoother assembly flow, and reducing downtime
- Introduced improvements to assembly workflow that boosted daily output
- Consistently met shipment deadlines by collaborating with team members and adapting quickly to fluctuating order volumes
- Ensured minimal product returns by carefully assembling specialty floor lock drains
- Learned manufacturing principles and warehouse operations, reinforcing strategic problem solving under pressure

Ranch Hand

Eagle Crest Ranch

May. 2018 – Jun. 2023

Santa Clarita, CA

- Cared for livestock including chickens, sheep, and an emu, ensuring consistent feeding, watering, and enclosure maintenance
- Monitored animal health daily and responded to signs of illness or injury with urgency and care
- Maintained cleanliness and safety of animal housing areas, improving living conditions and preventing disease
- Strengthened work ethic, independence and time management through early-morning and physically demanding responsibilities

CLUBS

Data Science | *Python, Pandas, NumPy, SQL*

Oct. 2024 - Present

- Cooperated on a prediction-based project for Datathon 2025. Won "Best Sports Analyst Project"
- Pitched project ideas at the Pitchfire event to develop innovative data science solutions
- Collaborated on a team project, Anti-DUI, aimed at improving student life at UCSB
- Strengthened communication and presentation skills through networking events and resume workshops
- Enhanced skills in data visualization, Python, SQL, and Matplotlib

SKILLS

Interpersonal: Loyalty, Hard work, Patience, Teamwork, Empathy

Languages: Python, R, SQLite, C++

Libraries and Frameworks: Pandas, NumPy, Matplotlib, Requests, PyAutoGUI, Scikit-Learn, XGBoost

Tools: Git, GitHub, VS Code, PyCharm, Jupyter Notebook

Achievements: Datathon 2025 - Best Sports Analyst Project, Anti-DUI - Project Showcase Finalist
